

# Fixed Length Tag Seal (AFL5001-2)

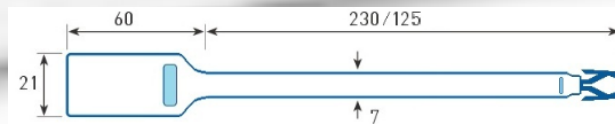

- Vehicle Doors
- TIR Cables
- Roll Cages
- Fire Exits
- Container Doors
- Tankers

AFL5001—230mm

AFL5002—125mm

All dimensions in mm.

The AFL5001 and 2 are fixed length security seals with easy removal by hand  
They feature a large tag to ensure good printing of barcodes/logos etc.

The tail of the seal inserts into the locking head to create a loop (fixed length). The tail slightly protrudes the lock to indicate the seal is closed properly

This seal is easy to apply and remove

Standard seal is marked with a sequential serial number

### Customisation Options

- Pad or Laser Print Marking
- Logo, Serial Numbers, Barcodes, QR Codes and write on surface
